How to 'Pay Yourself First' with DLGL's VIP software solution

Happy National Payroll Week! Because NPW is all about celebrating what you do, we want to help build awareness of your role and the many ways you can contribute to your organization.

DLGL Technologies and the CPA are here to make you an NPW Superhero, by enabling you to demonstrate that PAYROLL HAS THE POWER to help employees become financially healthier!

CPA research consistently shows that 50% of Canadians are living pay cheque to pay cheque. That's why it's critically important that employees are paid accurately and on time. The CPA's NPW message to working Canadians is "Pay Yourself First" by automatically saving at least 10% of your earnings through payroll deductions.

Here is an easy tool to share with your employees on how they can better leverage DLGL's VIP software solution to help them do just that!

Simply go to the **My Pay Tab** within the **Employee Self-Service Portal**, click on the link to **Bank Account** and then enter a **Secondary Bank Account** along with the amount or percentage of your pay to be deposited, That's all it takes to "Pay Yourself First" with VIP!
