How to 'Pay Yourself First' with Desjardins

Happy National Payroll Week! Because NPW is all about celebrating what you do, we want to help build awareness of your role and the many ways you can contribute to your organization.

Desjardins and the CPA are here to make you an NPW Superhero, by enabling you to demonstrate that PAYROLL HAS THE POWER to help employees become financially healthier!

CPA research consistently shows that 50% of Canadians are living pay cheque to pay cheque. That's why it's critically important that employees are paid accurately and on time. The CPA's NPW message to working Canadians is "Pay Yourself First" by automatically saving at least 10% of your earnings through payroll deductions.

Desjardins Payroll and Human Resources Services has been in operation for nearly 40 years. We've built a solid reputation based on personalized service, robust and innovative solutions and accurate calculations. No matter how big or small your company is, we offer different solutions to assist you with time-consuming payroll tasks, help you keep costs down and effectively manage all HR-related matters. We can also help you set up a group retirement savings plan—a great way to help ensure your employees' financial security and improve their working conditions so that you can attract the best talent.

Our solutions also include a self-service feature for your employees, allowing them to securely view their personal information and paystubs online or in the Employer D mobile app.

Contact us to learn more. One of our specialists will be happy to help you choose the solution that's right for you.
